**Mentorship**

**Program for graduates**

# Why Mentorship

Students are always confused about

- o What to do or not do?
- o What to learn and not to learn?
- o Why to learn and not to learn?
- o How to learn?
- o How to work on projects?
- o How to get work experience while studying?
- o How to prepare for interview?
- o Various factors to consider before joining any company?

# Our Offerings

In this respect, we are offering a perfect learning path by providing trusted video lectures, project guidance, working experience, interview sessions, video resume, portfolio support, 4-6 training certificates, job referrals, freelancing projects & guidance, career support, etc.
